B. Definition of a Bass Club

For purposes of determining eligibility to apply for a permit to conduct a one-day bass tournament, a "bass club" is defined as any organized group of five or more bass anglers which is able to satisfy one of the following criteria:

1. Provide current documentation of being a member club in Bass Anglers Sportsmen Society (BASS), Northeast Bass Association (NEBA) or other nationally recognized bass fishing organization; or
2. Provide a current listing of club officers and members along with a signed affidavit affirming that the group, although not affiliated with any nationally recognized bass fishing organization, is a bona-fide independent fishing club.

NOTE: It is a Class E crime to obtain a permit through fraud, misstatement or misrepresentation - Title 12 M.R.S.A., Section 7373.

C. Requirements (General)

1. Any bass club which sponsors a one-day bass tournament must submit a completed bass tournament questionnaire, when requested to do so by an agent of the Commissioner, provided that such request must be made in writing to the sponsoring club prior to the day of the tournament.
2. All anglers in the tournament must possess a valid Maine fishing license unless of an age where a license is not required.
3. Bass tournament boats must be specifically identified in a plainly visible manner and a roster of participants must be available at the location of the weigh-in.
4. Only one permit will be issued on a waterbody for a specific date.
5. All fishing will be restricted to artificial lures.
6. No weigh-in bass tournaments will be permitted on a body of water less than 500 surface acres.
7. A copy of the tournament permit and a copy of the rules affecting one-day tournaments shall be conspicuously displayed during each tournament at a location accessible to all tournament contestants.
8. There shall be a separate permit for Open and Club tournaments. Club tournaments are limited to a maximum participation of 15 boats. Open tournaments are limited to 35 acres per boat with a maximum of 100 boats. Youth tournaments will be scheduled in cooperation with IF&W and no permit will be required.
9. Tournaments may be Catch/Measure/Release or Weigh-In.
 - a) In Catch/Measure/Release tournaments, all bass caught must be immediately released to the location from which caught.
 - b) All bass retained shall be kept in a livewell being operated with the pump(s) in a mode that constantly exchanges livewell water with fresh lake or river water as a flow-through system, except when boats are being operated under power of the main outboard while changing locations, or while motoring to shore immediately prior to weigh-in, at which time the pump(s) may be operated in a manner that aerates a fixed volume of water in the livewell.
10. The total cash value of prizes for single-day tournaments shall not exceed \$25,000.
11. The Commissioner has the authority to put any condition necessary on any tournament to assure that appropriate measures are taken to protect biological resources and address social concerns.
12. Weigh-In tournaments are not permitted in Aroostook, Hancock, Piscataquis & Washington Counties from May 20 to June 30 (dates inclusive). In all other counties weigh-in tournaments are not permitted from May 8 to June 14 (dates inclusive).
